1) Contact NOBCChE Regional chair & Membership chair to discuss interest in forming chapter

Contact:
Alicia Bowen-Cheek
Membership Chair
alicia.m.cheek@gmail.com

2) Identify potential members

In good standing Majoring in...

1. **Chemistry**
2. **Chemical Engineering**
3. **Biology**
4. **Pre-Med**
5. **Engineering**
6. **Business**
7. **Other students committed to the mission of NOBCChE**

Our Mission

To build an eminent cadre of people of color in science and technology

Interested in Joining a NOBCChE Student Chapter?

Why join a student chapter?

Leadership Development and Professional Advancement

- First access to job postings and other opportunities
- Targeted recruiting by our partner companies and universities
- Internships, research experiences, and co-ops specially set aside for NOBCChE student members
- Career development workshops
- Student chapter leaders receive special training at the NOBCChE Leadership Development Institute (NLDI)

Mentoring and Networking

- Access to professionals who have been where you are and are invested in your success
- Career coaching and mentoring by seasoned NOBCChE members
- Special networking events for student and professional chapters

Other Benefits

- Student Chapters receive special group discounts for attendance to the NOBCChE Annual Conference
- Opportunities to apply for special NOBCChE awards specifically for student chapter members

Outreach

- Student chapters get involved in the community through a variety of outreach programs and activities

Applications to form new Student Chapters are reviewed by the NOBCChE Board of Directors twice a quarter. Learn more about what our chapters are doing by visiting our student portal, NOBCChE College Central.

[Start a Chapter at Your School Today!](#)

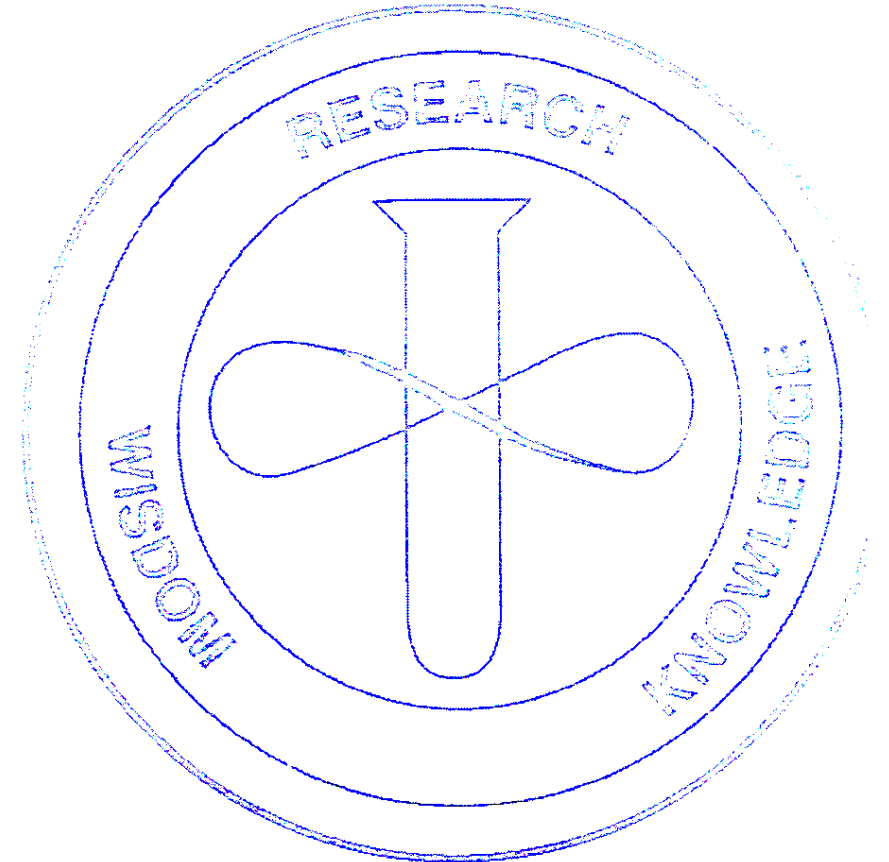

3) Identify a supportive Faculty advisor

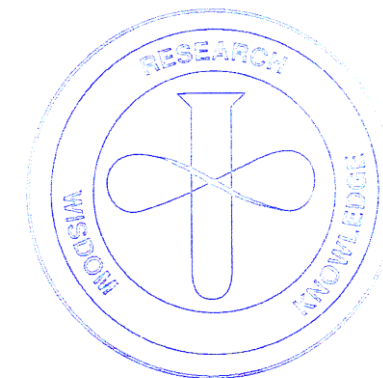

1. Ideally a Chem, ChemE, Bio professor (not required)
2. Advisor will need to provide letter of support

Our Mission

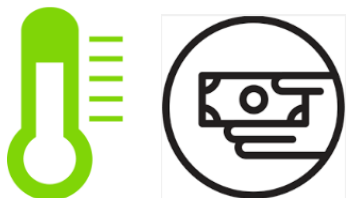

To build an eminent cadre of people of color in science and technology

4) Host an on campus NOBCChE kickoff meeting

1. **Explain history and benefits of NOBCChE**
2. **Brainstorm activities and events your chapter will host over the upcoming year**
3. **Develop Budget (examples available)**
4. **Identify sources of fundraising, school grants, donations etc leveraging the NOBCChE Brand and tax exempt status (501 (c) 3).**

Chapter Program to include:

Professional Development - via career aids and workshops, etc.

Technical Development - via technical seminars/poster sessions

Outreach - STEM or other type of volunteer elements supporting the NOBCChE mission

5) Register your chapter with student activities office and NOBCChE

1. **Online application for NOBCChE**
2. **[5] Member minimum – Student dues are \$25/ student**
3. **Review Student Chapter procedures**
4. **Chapters are reviewed at each NOBCChE board meeting**
5. **NOBCChE chapter charter will be conveyed during the NOBCChE National Convention**

Student Chapter Application Form

NOBCChE student chapters are studying STEM at universities and making a difference in communities all across the country. Follow the instructions below to make your membership in the NOBCChE family official!

Instructions

1. Hold a formative meeting to draft member positions and elect officers
 - a. A minimum of 5 people is required to form a chapter
 - b. Members must be students in good standing within the University and a dues-member of NOBCChE at the student level.
2. Record a copy of the meeting minutes to include with your application.
3. Obtain a letter of support from a designated NOBCChE Faculty Coordinator pledging support for the formation of a NOBCChE Student Chapter.
 - a. NOBCChE Faculty Sponsor/Coordinator must be a full member of NOBCChE
4. Establish a chapter website, blog, Facebook page, or other form of electronic social medium
5. Complete your Student Chapter Rules of Procedure ([download draft here](#))
6. Complete the online student chapter application form and upload the requested supporting documents.
 - a. Formative meeting minutes
 - b. Faculty Sponsor Letter of support and membership verification
 - c. [Chapter Rules of Procedure](#)
7. Chapters are reviewed at each NOBCChE board meeting. Notification of acceptance

<http://www.nobcche.org/student-chapter-application>

6) Attend NOBCChE national or regional meeting

1. **NOBCChE chapter charter will be conveyed during the NOBCChE National Convention**
2. **Begin enjoying the benefits of being a NOBCChE member**

What will you and your school gain from starting a chapter?

1. **Building a personal brand of leadership, taking initiative, & developing others**
2. **Professional development for yourself and others**
3. **Leverage to get black scientific leaders to come visit your campus**
4. **Scientific support community**
5. **STEM Outreach opportunities**
6. **& many more...**

In Summary...Starting an NOBCChE Chapter

1. **Contact NOBCChE regional chair & membership chair - discuss interest in forming chapter**

2. **Identify potential members**

3. **Identify a supportive Faculty advisor (Chem, ChemE, Bio etc.)**

4. **Host an on campus NOBCChE kickoff meeting**

5. **Register with your student activities office and NOBCChE**

6. **Attend NOBCChE national or regional meeting**
